This session is presented in partnership with the Penn Towne (PA) Chapter of The Links, Incorporated and is intended for **students at HBCUs.**

## What is Investment Management?

Investors decide where money goes. The decisions they make can:

- Create new jobs
- Fund companies striving for sustainability
- Grow the retirement of teachers and firefighters

## Why Girls Who Invest?

- Free education on fundamental finance and investing concepts
- Opportunities for paid internships with leading industry firms
- Mentorship from industry professionals with years of experience
- A supportive community by your side as you start your career and beyond
