In this role, Williams will support the firm's private markets investment platform, focusing on investment evaluation, due diligence, transaction execution and portfolio development across XAlts' GP Stakes investment strategy.

"We are excited to welcome Jordan to the Xponance Alts Solutions team," said Marquette Chester, Senior Managing Director and Head of Alternatives. "I am honored to join Xponance Alts Solutions and contribute to the firm's continued growth," said Williams. "I look forward to working alongside the team to identify differentiated investment opportunities, partner with leading alternative asset managers and help continue building the platform."

Williams earned bachelor's degrees, with distinction, in Accounting and Finance from Purdue University and is a Certified Public Accountant (CPA). He was selected as both a Robert Toigo Fellow and an MLT Private Equity Fellow, two of the industry's premier leadership development programs for investment professionals and participated in the University of Chicago Booth School of Business's Svidler Private Equity Program, where he earned his MBA.
